HS-12-2/68

The Low income Group Housing Scheme Rules, framed by the Government of India, for the Union Territories as revised upto 1st April 1968, are hereby reproduced in the Government Gazette for information of the public.

By order and in the name of the Administrator
of Goa, Daman and Diu.

R. K. Gupta, Deputy Secretary (Planning).

Panaji, 1st August, 1968.

Rules regulating the grant of loans under the Low Income Group Housing Schemes in the Union Territories

1. Aid under the schemes is envisaged primarily for the purpose of housing persons whose annual income does not exceed Rs. 7,200/- and who do not already own a house. The Government, however, may advance a loan to an individual already owning a house, provided the additional house is needed for his own *bonafide* residential purpose. No loan is, however, admissible for undertaking repairs or additions or alterations to an existing house.

2. Loans under the scheme will be advanced to the following categories of persons/institutions on the conditions prescribed for each category: —

(1) *For building and owning their houses.*

Individuals with an annual income not exceeding Rs. 7,200/- and Cooperative Housing Societies, if the income of each individual members thereof does not exceed Rs. 7,200/- per year. The societies having a few members with annual income exceeding Rs. 7,200/- will also be eligible provided the loan-assistance under the scheme is given in proportion to, and only for, those members whose annual income does not exceed Rs. 7,200/-. Joint loans will not be advanced to a group of individuals (other than cooperative society) shall not be advanced more than a single loan, even on their joint and several responsibility.

(2) *For construction of houses which may be sold (either outright or on hire-purchase basis) or let out by them on a no-profit-no-loss basis to their own employees eligible as per paragraph 1 above benefits of the scheme.*

(a) Cooperative Tenancy Societies, working on the principle of collective ownership, rather than of individual ownership.

(b) Public institutions run on a no-profit no-loss basis.

(c) Non-Government but recognised:

(i) Health institutions and hospitals;

(ii) Educational trusts and Educational institutions, including Universities and

(iii) Charitable institutions.

3. The Administration can build houses themselves or give loans to local bodies (Corporations, Municipalities, District Boards etc.) and other statutory bodies for construction of houses, which can be sold (either outright or on hire-purchase basis) or let out on a no-profit-no-loss basis, to persons, eligible, as per paragraph 1 above, for the benefits of the scheme, provided not more than 33⅓% of such houses are allocated by them to their own employees and the Central Government employees.

4. In cases where the local bodies are desirous of availing themselves of loan-facilities under the scheme for construction of houses exclusively for their low-paid staff, particularly sweepers and scavengers, a Union Administration may make available, to the local bodies, funds, to the extent of at least 7½% of its allocation under the scheme for the construction of such houses. The local bodies can also avail themselves of the subsidy, to the extent admissible from time to time under the schemes of the Union Ministry of Home affairs for amelioration of the living conditions of scheduled castes and Scheduled tribes, for the housing of sweepers and scavengers under their employment. The additional amount subsidy will result in reducing the loan amount admissible under the Low Income Group Housing Scheme and will not be adjusted towards the 20% share of the cost, which is required to be contributed by the local bodies from their own resources.

5. For the purpose of ascertaining the eligibility of a person for the benefit of the scheme, the per-

sonal income only of the borrower himself shall be taken into account, though, for determining his repaying capacity, the income, if any, of other members of his family may also be taken into account in addition to his own independent repaying capacity. A loan may be granted to a female applicant for the construction of a house on the plot owned by her on the security of her husband, provided he has not himself availed of a loan under any of the Housing schemes.

6. Applications for loan under the scheme should be made in the prescribed forms (Annexures 1 & 2) to the Union Administration in whose territorial jurisdiction the construction of the house/houses is contemplated and shall be addressed to the Secretary of such department, or any other officer, designated as such by the Union Administration concerned.

7. Loans will be given to the extent of 80% of the actual expenditure in each house, including cost of loan, subject to a maximum of Rs. 12,500/- per house. The remaining 20% of the expenditure on houses, including cost of land, will have to be borne by the applicant himself; the cost of land already in computing his share of 20%. The actual amount of loan which may be given to an applicant will be determined in each case, at the discretion of the Administration, keeping in view the repaying capacity of the applicant, the specifications and designs of the houses, proposed to be built, and any other relevant factors. The amount of loan will in no case exceed Rs. 12,500/- per house.

8. The loan will be advanced in stages, in the manner indicated below:—
